Amazon com Doing Philosophy 9781285055015 Joel

"Doing Philosophy: A Guide to the Writing of Philosophy Papers" is a pretty good introduction for someone who has no clue as to how to write a paper that requires reasoning and argumentation. It also contains advice that applies to any written composition. Although the book should prove useful for the novice, it would have been good to have more on how to present a truly well-reasoned philosophical essay and how to interact with the arguments presented by other philosophers.
