I think the critique from the Marxist or anarchist tradition is very different from the one Foucault was formulating, and not only him but also a significant swath of the Marxism of the 1970s. First, for the simple reason that all those old anarchist and Marxist writers knew nothing of social security or the form the state would take after 1945.

Judith Butler What is Critique An Essay on Foucault s

For Foucault, critique is a means for a future or a truth that it will not know nor happen to be, it oversees a domain it would not want to police and is unable to regulate. So critique will be that perspective on established and ordering ways of knowing which is not immediately assimilated into that ordering function. Significantly, for Foucault, this exposure of the limit of the
