deep core of ethical values, that gives them the courage to stand up to the tough choices. That doesn't mean they face fewer choices than other people. Quite the opposite: Those who live in close proximity to their basic values are apt to agonize over choices that other people, drifting over the surface of their lives, might never even see as problems. Sound values raise tough choices; and tough choices are never easy.

As such the title doesn't quite fit: perhaps it should be called how good people -should- make tough choices. Given that the emphasis of the book was somewhat different than expected, Kidder made a decent book out of the general topic of ethics. Not arcane in any way, chock full of examples and designed to be user-friendly. A great book for "lay persons" who are nonetheless quite familiar with decisions that have ethical implications and need to make them on a regular basis.

choice and step 7 is especially important to the process. Step 8 is also extremely important and is the most frequently overlooked step in the process. People tend to process the problem but never make a decision or act. It is important to come to a conclusion, decide, and act, and then revisit and reflect. Kidder, R. M. (1996).
