License to Thrill The Genius Files 5 by Dan Gutman

License to Thrill (The Genius Files Book 5) by Dan Gutman follows Coke and Pepsi McDonald as they finish their summer vacation trip and return home with their parents. As with the other four books in the series, Coke and Pep get caught in some impossibly unbelievable scenarios: an alien abduction, a venomous snake attack, a volcano, and the Hoover Dam water turbines. But, hey, it is fiction after all. And that is the appeal of the book; that and the full throttle humor, of course.
