The Revised English Bible

The Joint Committee commends the Revised English Bible to the Churches and to the English-speaking world with due humility, but with confidence that God has yet new light and truth to break forth from his word. The Committee prays that the new version will prove to be a means to that end.

What is the Revised English Bible REB GotQuestions org

Revised English Bible - Pro s and Con s Like its predecessor the NEB, the Revised English Bible never gained wide acceptance, either in the United Kingdom or the United States. While the REB is an adequate translation, there is nothing special about it that attracts people to use it as their primary Bible. The gender-inclusiveness of the REB is troubling, but not to the same degree as other gender-inclusive Bible translations, such as the NRSV or the TNIV.
