Wild Born Spirit Animals 1 by Brandon Mull Goodreads

Wild Born is the first of a middle-grade fantasy series where at 11, children drink nectar to see if they can call a spirit animal to be their companion. At the start of the story, however, children start calling The Great Beasts, who are more than just spirit animals. They were the original warriors in a battle that happened long ago to protect the world from evil. It looks as though that dark force is rising up and this group of children have to band together to stop it once again.
